Over 18,000 years ago many of the men in China dedicated their life to the study of philosophy. And then applied it to a war to end all wars.

The country was plagued by a bandit hoarde known as the Yellow Scarves. Who amassed a power no one had yet to conquer. Fact is, no one could assemble a force strong enough to destroy them.

In Destiny of an Emperor, your challenge is to change the course of history forever. For the good of China. And the world.

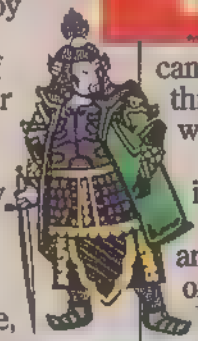
This full scale, role playing adventure game for the Nintendo System will put you deep in the throes of that war.

The action is as real as it gets thanks to the discovery of authentic documents detailing the era.

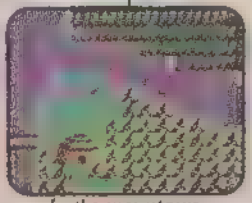
Characteristics of 180 warlords have been simulated based on the renowned text of Sanquozhi Yanyi.

Even 20th century strategists are destined to spend hours, even days on each game. And when you take a break to philosophize on your next action (if you can pull yourself away) you can actually save up to three histories exactly where you've left off.

Conquering this game will take you centuries



You can put yourself in the place of Liu Bei, dedicated to raising an army for the restoration of the dynasty. Or Guan Yu, an exceptionally skilled warrior, match for a thousand soldiers and worshipped as a god.



In the mountains, rebels await behind every tree.

But no matter who you are, it will be hard to win the war against Zhang Jao, the deadly leader of the Yellow Scarve rebels and founder of the Tai Ping sect. Not to mention the most feared Chinese warlord of all, Lu Bu, destined to be a traitor because of his great strength and courage.

You'll use every strategic cell in your brain to fulfill your constant requirements for weapons, food and manpower. You'll give important commands that could mean your life, and the life of your armies. And in true Chinese tradition, you'll engage in battle again and again to defend your honor. An honor certified by an oath signed in blood.

When all is said and done, there will be room for only one Emperor. Whether or not that will be you is your destiny alone.

ATTENTION CORRESPONDENTS: IF YOU DON'T WANT YOUR FULL ADDRESS PRINTED, PLEASE BE SURE TO TELL US SO!

Dear Editor,

Who'd have thought that MIGHTY MOUSE would become one of my favorite comics? It's actually humorous, unlike the forced 'humor' of the Justice League titles! Mr. Gallagher could teach that guy over at SHE-HULK a thing or two about writing funny parodies! And he plays no favorites, biting the hand that feeds him in the Samor story, as well as spoofing the Distinguished Competition in the opener! He even manages a gibe at Marvel writers' penchant for burying their heroes in a mountain of sub-plots! A word to the wise, guys! Why not give Gallagher a shot at SHE-HULK, since he knows the difference between stupid and funny!!

Bob Kowalski

Dear Mighty Writers,

This letter probably won't even get printed, but I'll try anyhow. This is the first letter I ever wrote to a comic before. I'm writing to you about the BAT-BAT story in issue #3. This was a great story, I loved it! It might even be possible that this story was better than the MIGHTY MOUSE story in this particular issue. I want more of this hero! Is there any chance that he'll get his own comic? If not how about putting more of his stories in MIGHTY MOUSE? I have one more question to ask: do you know where I can get the first issue of the new MIGHTY MOUSE? Please print my letter!

Bill Blitz
739 S. Wymore Rd. #1
Altamonte Spgs., FL 32714

First off, all you MIGHTY MEISTERS out there: no more letters starting with the words, "this letter probably won't even get printed..." Got it? Good.

Now Bill, on to your questions...

A BAT-BAT comic? Hmmm. What do you guys think? If we got, say, 10,000 letters (from at least three different people) we could probably persuade Ol' Tom DeFalcon to let us publish it. So start writing!

More BAT-BAT back-ups? Your wish is our command!

More copies of MIGHTY MOUSE #1? They're on the way! Yes, you heard it here first! MIGHTY MOUSE #1 is being reissued with a special SILVER COVER! Oooh, ahhh!! Do we aim to please, or what? 'Nuff said!

Dear Mousers,

I'm writing to say that Bat-Bat and the Bug Wonder should NOT be part of the MIGHTY MOUSE comic. They should have their own comic book. Think about it. By the way, the Sub-Plotter is a super hero bound for greatness.

James Henson

Bat-Bat,

Your section in MIGHTY MOUSE #3 was great! I loved it when you were on the new Mighty Mouse cartoons about a year ago. And it's great that you are back in the new MIGHTY MOUSE comic. Bug Wonder is still the same awesome sidekick. I look forward to seeing you and Mighty Mouse beat up some bad guys together!

So until Bug Wonder gets some eyes, make mine Marvel!

Dear Bat-Bat,

I liked your comic, Bat-Bat. It was funny. Do you have more bad guys, Bat-Bat?

Ian Carter
3946 S.E. Sherman
Portland, OR 97214

Hey, since when did this become Bat-Bat's comic? More Bat-Bat bad guys? Well we met a whole slew of them last issue! What about that Nose Cone, huh? And Madame Marsupial! Now, HER we should give a comic to!

Dear Marvel,

I recently bought MIGHTY MOUSE #3, which was guest starring Bat-Bat. I loved it! But there's some things I'd like to know.

1) If Bat-Bat is a bat, how come he has a cape instead of real wings?

2) Does Bat-Bat ever get tired of Bug Wonder sitting on his shoulder?

3) Who's going to repair the corner box that Bat-Bat broke out of?

4) This new character, Samor the Sub-Plotter, isn't that going a bit far? I mean, don't you think Namor the Sub-Mariner might get just a little upset?

All right, Jean-Pierre, because you wanted to know:

1) Bat-Bat has a cape—for before he's a bat, he's a super hero!

2) No—not since the Tick started his liquid diet plan.

3) Damage Control member *Vince Evans* fixes all the corner boxes and logos that get busted 'round these parts with his handy T-square and crowbar. (Also keep an eye out for the third DAMAGE CONTROL limited series, coming soon!)

4) Namor the what? Never heard of him. He's probably some cheap knock-off of Samor, right?

Dear Bat-Bat,

Hi! My name is Joseph. I like your cartoon!

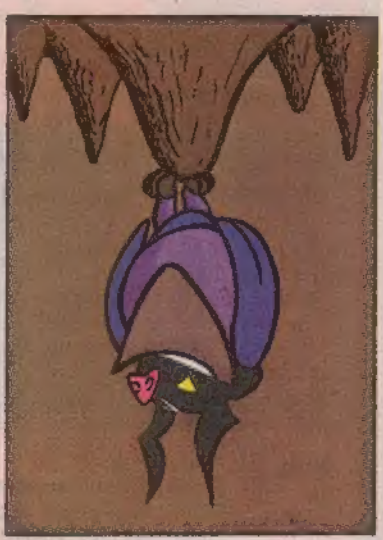
Only 9,992 letters to go... Sheesh, you guys are going to give Mighty a complex, here!

SPECIAL KUDOS to Milt Knight, deemed a true "scholar of funny animals," by the LOUNGE LIZARD column of the New York DAILY NEWS! We knew it all the time! This is Milt's first issue of MIGHTY MOUSE for Marvel, so write in and tell us what you think of his artwork!



NEXT MONTH: Mighty Mouse receives some DIGITAL IN-JUSTICE as Ernie Colon zaps him into the world of computer-generated graphics! And our own funny animal scholar, Milt, shows us what a cute baby-baby Bat-Bat must've been, in BAT-BAT: YEAR ONE! Both rodent tales are written by Mike "Much funnier than that guy who writes SHE-HULK" Gallagher! 'Nuff said!
